The LOC Phil Slowiak mentioned was under an AOC.

An AOC. FYI, Region 5 just this afternoon, referred me to the same template that Region 2 recommended for a site subject to an AOC. No Standby Trust is required.

Phil,

Know if the R2 LOC was for a UAO or AOC? May be different requirements.

Hi Gary,

Attached is a copy of an email from Region 2 which we received for another CERCLA site. This is the LOC format they want us to use and a Standby Trust is not required.

I am running out of time to meet the April 30th deadline. Please let me know as soon as possible if there is a Region 6 preference. Otherwise, I will use the template provided by Region 2.

Thanks!

Just a reminder I need some guidance on converting surety instruments.

Please confirm:

- 1.) Beneficiary
- 2.) Format preference of LOC instrument (Region preferred template)
- 3.) Is standby trust required? (Region preferred template?)

Thanks!
